

Display mirroring on to the projector

Click the **Apple** at the Top right of your screen

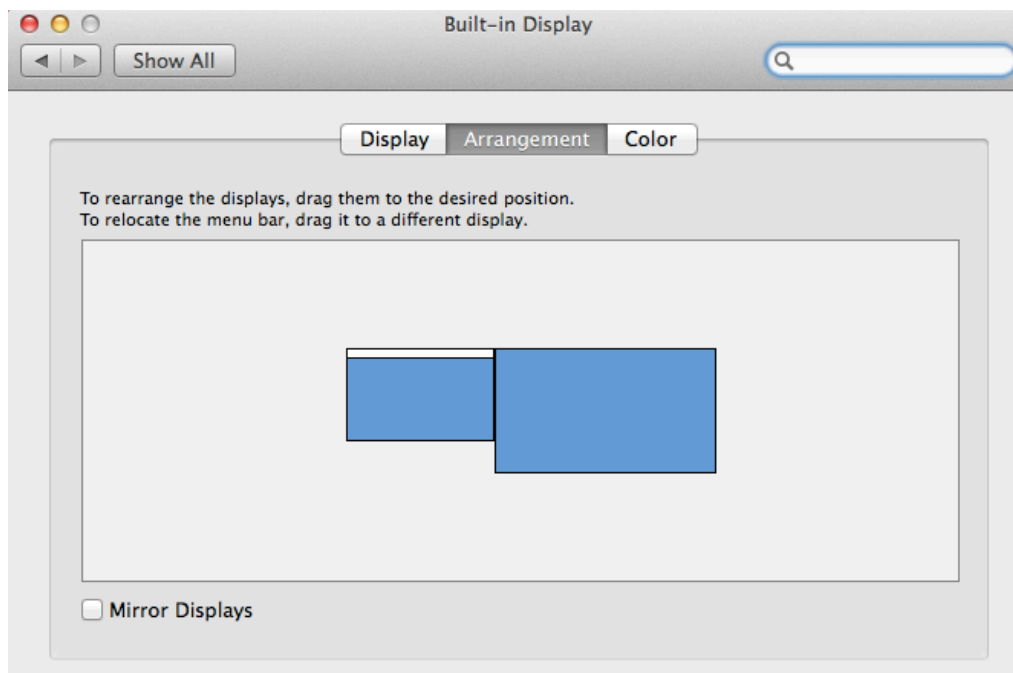

Click '**System Preferences...**'

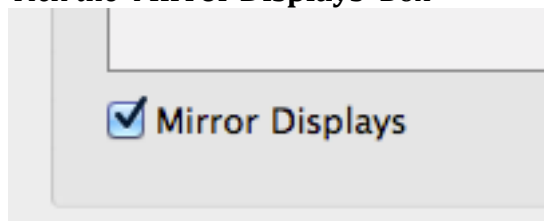

Click **Displays** once '**System Preferences**' has been open

Click the '**Arrangement**' Tab. Once Displays has been clicked.

Tick the '**Mirror Displays**' Box

If your desktop is still being extended, make sure '**Air Parrot**' is NOT running, you can do this by Clicking on the Air Parrot icon , (Located at the top of your screen) and Scrolling all the way down to Click '**Quit AirParrot**'
